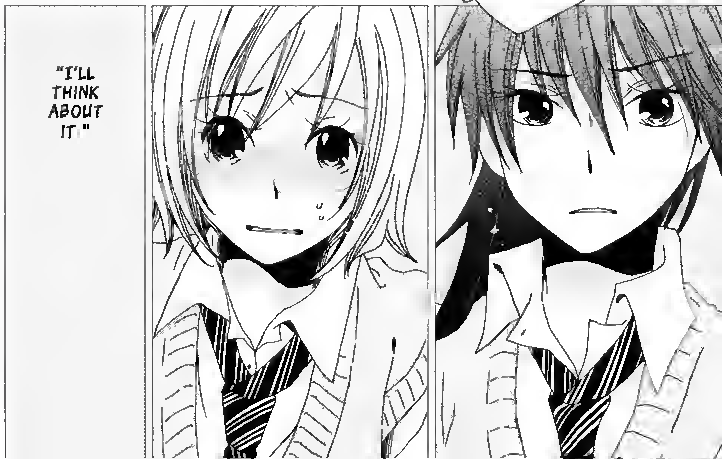
MORNING.

She's acting different this morning.

TWIP

We've been friends all this time
I didn't think a little thing like that
would change things between us.



LOOKING AT HER BACK ISN'T ENOUGH FOR ME.

*"Tono" in Japanese

Oh!
DUNNO.
Glare...
WHAT'S YOUR REAL NAME?
...
TOONO.
No mystery there, then.
IF YOU DON'T LIKE YOUR NICKNAME, YOU SHOULD SAY SOMETHING.
I DON'T REALLY CARE...
Want me to talk to her for you?

WHAT PEOPLE CALL ME
TOONO-SAN
I'M NAITOU
That's my name, I mean
I THINK I'LL BE SITTING BEHIND YOU
IT'S NICE TO MEET YOU!

glaaa...
...
Hmm?
aave..
SURE...
NICE TO MEET YOU, TOO.
Huh?
She wants to shake hands?
OH!
UH-HUH.

one little thing,

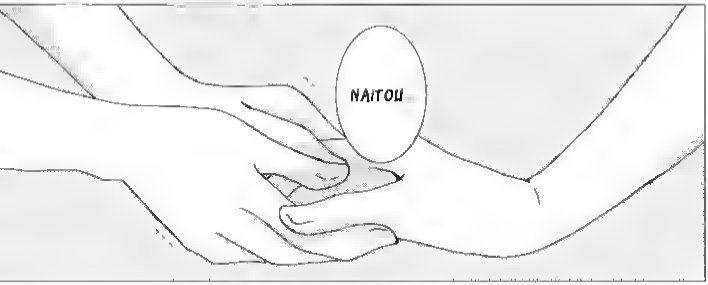
made me love sitting behind her.

I should have been more considerate of her feelings

WHY ...
BECAUSE YOU'RE AVOIDING ME.
DO YOU
WISH YOU HADN'T SAID YOU LIKED ME YESTERDAY?

N-...
NO, I...
WHY ARE YOU AVOIDING ME, THEN?
...DO YOU NEVER WANT TO SEE ME AGAIN?
N-
grip
NO!

I remember...



her fingers were trembling yesterday, too.

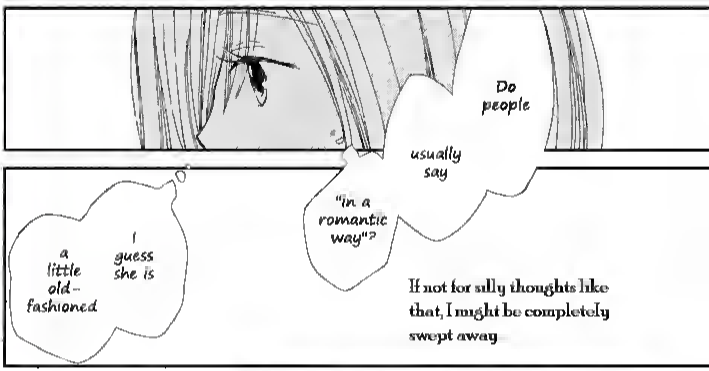
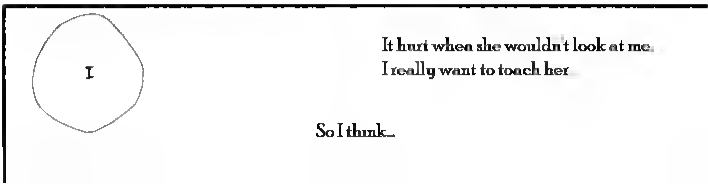
"I'LL THINK ABOUT IT."



Do people usually say "in a romantic way"?
I guess she is a little old-fashioned
If not for silly thoughts like that, I might be completely swept away

She's absolutely adorable with her face all red like this.



I
It hurt when she wouldn't look at me.
I really want to touch her.
So I think...

LIKE YOU
IN A ROMANTIC WAY, TOO.
I'VE BEEN THINKING ABOUT IT ALL DAY, JUST LIKE I PROMISED.
SO...
HERE.

Love, requited, begins to flourish...
